Miller, Walker, and Salmon Creek Basin Plan  
Second Miller and Walker Creek Public Meeting (March 18,  
2004)

**WE'D LIKE TO HEAR YOUR IDEAS!**

**Do Lot A property owners believe that estuary modifications are possible that will both protect their property rights and improve fish habitat?**

**What do you think are the relative priorities of all of the projects suggested?**

**How much additional funding to support these projects are you willing to provide through increases in taxes and fees?**

**Do you have any other comments you'd like to share with the Project team?**
